Potentate's Message

Welcome to June, Nobles and Ladies! What an incredibly busy month this will be!

Parade season is in full swing and is picking up speed this month. We hope to see many familiar faces in Kearney at the Shrine Bowl parade and game on June 4th. We have two parades the following weekend... Blair on Saturday, June 11 and a new one for us, Cedar Bluffs, on Sunday the 12th. The next week is the Papillion parade, and the First Lady wants me to remind you to 'look up' as you approach the pedestrian bridge! Participation in the May parades was great. Let's keep it going!

The SHBD Show and Shine is on Sunday, June 5th. Come out to see some beautiful cars, have lunch and a beverage or two. Remember, all proceeds raised during the show goes to support our hospitals. Many thanks to Don Streeter and his crew for organizing this show.

Piezon's Pizzeria (156th & West Center) is once again donating a portion of their proceeds to our hospitals on June 8. Why not skip heating up your kitchen and pick up a pizza or eat at the restaurant instead. Our Kids will benefit!

Tangier will host a Friendship Dinner on Friday, June 17, at 6:00. Dinner will be served and a short presentation from the four Masonic Bodies will follow. New members are crucial to the continued success of Tangier. If you know of someone, bring him along so he can learn more about us. Please call the office to make reservations.

Your Divan and several other voting members will be traveling to Minneapolis for the Imperial Session July 2-7. We look forward to updating you during the July Stated Meeting about the items which were discussed and voted on during the Session.

It is time to make your plans to attend Central States in Wichita Aug. 25-28. We are looking forward to a great time, some friendly competition with the other Shrine Centers and perhaps bringing back some shiny new hardware for the trophy case! Please see the ad in this issue for more information. A \$100 deposit is due by June 15.

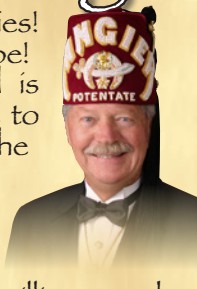

Hamburger Nights have taken a break for the summer but were a great success thus far. Thank you to PP Jimmy Hirl for the delicious Specials, to our Unit and Club members who helped in the kitchen, and to Chief of Staff, Rob Kuhl, for coordinating the help. We'll see you again in the fall!

And finally, I'd like to express my sincere thanks to ALL Nobles and Ladies who help every day to make Tangier the best Shrine Center. I appreciate you all!

Fraternally,

Bill German

Arab Patrol

By: Steve Bugajny

Greetings my dear fellow Tangier friends.

Its hard to believe that we just eeked out a few warm days and sunshine through this wet cold windy spring, and now on June 21st we start the summer season.

Parades are in full swing and of course the big Fourth Of July Parade in Ralson is just around the corner. I predict that if the weather cooperates we will have the biggest turnout ever. As much fun as it is, its a great marketing tool to promote the Tangier Shrine.

Actually, that was how i got interested in being a Shriner, the 4th of July parade in Ralston. Watching the Keystone Kops and the mini cars, clowns, and precision marching. Plus, they helped kids with needed medical care. Sign me up!

We at Arab Patrol continue to have a great time of fellowship and camaraderie. We started doing more dinners for the Patrol and their respective loved ones. We just had a super turnout at the Round The Bend Steakhouse in Ashland. We loved the food and had over 30 people attend.

We continue to plan for our upcoming Wine Tasting event in the fall. We will of course send more info to you all.

Have a super summer. Will connect again at the next Hot Sands.

Peace.

Mobile Nobles

By: Dave Stolp

Parade season is here, and we are busy!

We have completed three parades in May: Council Bluff, Florence, and La Vista. "Old 357" was made available to the Hospital Board Meeting on May 19th to transport members from their hotel to the meeting and return.

The Train will be in Kearney for the Shrine Bowl on June 4th for the parade, in Blair for a parade on June 11th, and Cedar Bluffs for a parade on June 12.

The Train and the "Little Train will be in Mead, NE on for a parade on June 18th.

At the time of this writing, there is a question mark on parades in Red Oak on June 25th and North Bend on June 26th.

The "Little Train" cars are in the process of redesign. One of the finished cars was on display at our May meeting and is scheduled to be on display at the Stated Meeting on May 12th. We have several Units/Clubs who committed to the color of the car and their logo to go on the car. There are still some cars available. You may contact Larry Drews or Dan Waldon for information.

Please remember Father's Day on June 19th. (I got it right this time.)

Please remember to support your Clubs/Units and Tangier when you can.

That's all for now folks, see y'all down the tracks.

Chanters

By: Bernie Hauber

We all know that Tangier has started parade season last month. Although the Chanters do not march, we support those units who participate and are "Proud to be a Shriner." We have often seen how you portray our ideals of fun, frivolity, camaraderie, patriotism, and philanthropy by putting your "best foot forward." We wish you all the best and especially safe travels for those of you going to the Shrine Bowl on June 4.

There was discussion about possible Chanter performances this summer. These might include performances at local churches and other events. More specific dates, times, and locations will be detailed later. This illustrates that there are often public and Masonic Family events, and if you want us to sing at such events, your request should be received early to verify our availability.

We usually start practice Monday in the Tangier Main Room promptly at 7:00 pm. Our membership could always use a boost. Any noble with even a small interest in singing and a willingness to join us should contact any Chanter or leave a message at the Shrine Center. That's my update for June.

"It is the best of all trades, to make songs, and the second best to sing them." Hilaire Belloc (British Author)

Hospital Float

By: Mike Donham

The float is out of winter storage and ready for the parade season.

The first parades were held on May 14th at Council Bluffs and Florence, and then LaVista on May 28th. Thank you for attending.

We are looking forward to the Shrine Bowl Parade and Game in Kearney on June 4. Since Tangier is the host Temple this year, it would be great to see members of the Hospital Float and all of the Units participating.

June honorees are the following:

Nobles Marvin Kovar and Dave Linn will celebrate birthdays.

Noble Bob and Lady Jackie Brown will celebrate an anniversary.

Congrats to all!

A quote from Billy Graham – "The only time my prayers are never answered is on the golf course."

Legion of Honor

By: Jeremy Martin P.C.

Welcome to June! Thank you all to who purchased flags for the Memorial Flags and thank you to all those who purchased raffle tickets for the smoker/grill.

The Legion of Honor is in full swing in parade season. There are some exciting things coming up this year with the Legion of Honor. One, we are growing, and I would like to welcome our two newest members Tom Mullally and John Crouch. We are looking forward to seeing everyone at the parades and around the Shrine.

If you are interested in what the Legion of Honor has going on, come on out and meet up with us on the first Tuesday of the month at 6:30 pm at the Shrine.

Tangier Clowns

By: Boing

Greetings Clowns and Funny Honeys. Parade season is here and by now the first two parades are in the books.

We need help with the Beyond the Field experience at the Shrine Bowl. It is Memorial Day the event starts at 10:00 am in Kearney so we will need to leave Omaha by 7:00 am. This is an awesome event that exemplifies what we do, if you are able to attend please sign up on the website. Special thanks to Helene as she developed our new website.

If you have any issues or need help please contact any of the unit officers and we will get you the help you need.

Shrine Bowl is June 4th with the parade at 11:00 am and the game at 6:00 pm. We would love to have a good representation from the unit. Next meeting will be June 3rd in the green room at the Shrine, love to see you there.

Till then keep them smiling.

Corvette Club

By: Pete Larson

The parade season is upon us and unfortunately it started as a total rain out! The Corvette Club planned to attend the Nebraska City Arbor Day parade on April 30, but Corvettes do not float well, and it was decided to cancel our appearance.

However, our parade season finally got underway on May 14, as the Corvettes participated in the Council Bluffs and Florence parades on the same day! We had great turnouts for our initial parade appearances and a fun time was had by all who were able to participate. We finished off the month of May with the LaVista parade. Keith "Top Down" Kortright planned our pre-parade get-togethers as we always want to drive the parade routes with full stomachs. May was certainly a busy month for the Corvette Club and we do not expect to slow down (as it is hard to not speed along in a Corvette)!

As the longest produced sports car in the world, the Corvette is used to being in the spotlight. When it comes to its proud history, there are a few things you should know about Chevrolet's most iconic vehicle: the Corvette has been produced in three different cities – Flint, Bowling Green, and St. Louis; the first Corvette retailed for \$3,513 in 1953. Adjusted for inflation, that's an affordable \$31,608!; the original Corvette logo featured the classic checkered flag crossed with the American flag. However, when designers learned that using the stars and stripes on a commercial product was illegal, the logo was changed to the traditional bow-tie emblem and a fleur de lis.

REMEMBER – The Corvette Club is looking for a few new members who own a parade-worthy Corvette. The club meets at Tangier Shrine Center at 6:00 pm the second Monday of every month. Please contact President Rick Whitesides at 402-319-0463 or by email at: whitesides@centurylink.net.

Until next time, keep your top and windows down when it is sunny and hot, but UP when you go through the car wash!

Golden Girls

By: Marilyn Guss.

The Golden Girls May meeting was on the 10th. We had a good time, with fellowship and much sociability. The meeting was followed by yet another tasty catered lunch. Our next meeting will be on June 14th., at the lower level of the Tangier Shrine, at 11:30 a.m., with a catered lunch served at noon. Wishing you gentle rain for your garden and sunny days for your soul. Until next month.....

RagTops

By: Jim Reese

Ragtops, that's our new name. We retired the previous name of Jo De Ra because very few nobles knew what we did. Our Unit's main purpose is to transport the Divan during our parades.

What a great turn out at the first parades of the season. The Florence parade crowd was awesome. Very appreciated of all the participants. We always have so much fun and had a great time at the Oasis. La Vista parade was another great occasion to show our cars and promote what the Shrine does.

It was a busy May at the Shrine. What a great time at the Kentucky Derby Party. Lots of fun and a great turnout. It was a two-minute race but what a great story, the long shot horse wins. The Divan feels that we will have great second half and reach our goals. Way to go, we will support you any way we can.

Thank you Nobles, for putting a great show for the Hospital Board when they visited Omaha. They saw what Boys Town did and had a great dinner at the temple with us.

We would like to welcome our newest member: Maynard Crispin and his wife Nancy. Welcome aboard, we hope you have fun at our parades. If you want to become a member of our unit, ask a member. All you need is to have a parade ready convertible and be ready to have fun during the parades. For more information contact our president, Pat Costello at 402.596.1549. We meet on the first Monday of the month. Come and check us out, I will buy you the first drink.

A sergeant walked in the barracks and asked his men if any of them knew shorthand. Looking for easy work, several recruits raised their hands. "Great," the sergeant said. "They're shorthanded in the mess hall."

Till next time.

Big Wheels

By: Darwin "ididntdoit"

Well, most of us survived the start of the parade season, Dean has a few cuts and bruises –and the answer to last months question is 360 deg. – we are down to our last few days to sell tickets for the mini bike – and we will try to do the drawing at the show n shine. There will also be a few trikes there on display if anyone is interested. We might let you try one out if your interested in joining.

Keep on spinning –

Women's Auxiliary

By: Jan Moore

Hope that when you receive this edition of the Hot Sands that it is warmer than it is today.

As promised last month, six of us did attend the General Auxiliary meeting in Minneapolis. The following information was gathered:

- Money spent for wheelchairs / Mobility equipment: \$198,392.48
- Money spent for Christmas bags: \$1,800.41
- Money received by General Auxiliary 2021: \$227,262.46
- Money we took to Minneapolis: \$1,500.00
- Needed by General Auxiliary for kids: Games: Yahtzee, Jenga, Sorry, Monopoly, Connect 4, Candyland, Chutes & Ladders, Let's Go Fishing, Matching Games, and others; Girls: small to medium baby dolls, Barbies, Tea sets, Princess items, My Little Pony items, arts and crafts; Boys: Hot Wheels/single or sets, action figures, Nerf items, small to medium trucks, Lego sets; Infants/Toddlers: musical & light up toys, remote & chatter phones, ring stacks, medical kits, pull toys; Older kids: nail polish sets, small purses, jewelry, handheld games, Rubix cubes, earbuds; Miscellaneous: Etch a Sketch, Magna Doodles, Earbuds, arts & crafts, Playdough kits; Blankets: two sizes only either 5'x7' or 3'x3' fleece in kid friendly pattern, may be single layer, can be tied or sewn edges

We raffled off four gift baskets and one very large beautiful wreath and realized \$900. In addition, wine bottle lights and a few other items netted us \$143. We split the money from the wine bottles with the LOH Ladies, as this was their project to begin with.

We asked if each child gets a gift each time they see the clinic, the answer was yes. They hand out Christmas bags beginning the Monday after Thanksgiving. That means they need the items for the bags by October 15, and we must have them by September 25. I know that we can count on all of Tangierdom to help us do our part.

We learned many of the smaller auxiliaries actually make and give more money than we do. Perhaps some of you can come up with ways to increase our money making efforts. One of the smaller auxiliaries presented a check for \$4000 to the General Auxiliary the day of the meeting and that was not their only contribution for the year. We could use some more thinkers.

HOT OFF THE PRESS: We CAN accept all can tabs now. We called the recycling company to ask about the ones that are not aluminum. If we keep the two separate we can take the others to them. They were paying 10 cents per pound the day I called. Not a lot, but over the years we have thrown away a lot of the non-aluminum tabs. So NOW that you know that you can save all the tabs you want. Until next time be kind to all, you don't know what is happening in their life.

Shrine Bowl Unit

By: Greg Hess

Hello from the Shrine Bowl Unit. Thank you to all the Shrine Bowl Unit members, our ladies, and all the other people that helped with the Fish Fry. Because of you, we had a successful dinner! Good times were had by all. I want to thank Tom Erickson. It was his brainchild, and he has been doing a fantastic job running it. Keep it going. Our bus has been picked up and it got cleaned up for parade season. Congratulations to Tim Bernet for winning Noble of the month. Tim has been doing an outstanding job in educating us in the Tangier Shrine History. We had several members help out on the day of giving. We also had some unit members and ladies help with the player and parent dinner. Thanks to our members and ladies that showed up to help. Our unit served the last Hamburger Night dinner of the season. We had a good time serving up the food which is always great. Remember, good habits mean personal growth.

Road Runners

By: Jim Huebner

April was an interesting month for the Roadrunners. We only had two van trips to MPLS, but we had an outstanding example of Shriners going above and beyond to support our Shrine patient families. One of our "Sandhills" patient families was driving themselves to an appointment at Chicago Shriners clinic when their car broke down late afternoon about 90 miles west of Chicago. Tangier got a call from Jeremiah Schartz making us aware of the problem. A number of people at Tangier got involved by making calls until we found a local Shriner who was able to pick the family up and take them to Ronald McDonald house where they were staying and to the clinic the next day for their appointment. That was great in itself, but Jeremiah took off work the next day and with assistance drove to Illinois with a trailer and picked up the disabled car and the family for return trip to Nebraska. Jeremiah truly went above and beyond in support of the family and deserves special recognition and thanks for showing us what Shriners are all about. Please congratulate Jeremiah if you see or talk to him. Special thanks also to everyone who assisted in getting the family picked up that night including Past Potentate Daryl Finley, Susie Ryan in the hospital office, and our potentate Bill German.

Daughters of the Nile

By: Queen Cassi Norton

The first fundraiser of the year – Music Bingo – was a SMASHING success! PQ Karen Clopton and Princess Zora Michele Provost, Princess Marshall Angie Larson planned, organized and worked very hard for the success of the event. It was well received by all those who attended, so well received in fact – WE ARE GOING TO DO IT AGAIN!

Mark your calendars for Saturday July 16th. Details to follow.

On Saturday May 14th will be the first ceremonial when we will initiate new Daughters of the Desert into our Temple. On Sunday May 22nd we will be celebrating our 25 and 50 year members with an Honors Tea. We are blessed to have several in our midst.

In June, several officers will be off to Dallas for Supreme Session, and will plan to bring back all sorts of good information!

Mark your calendars now for the 8th Annual Kids Carnival planned for the second Sunday in August, the 14th. There is also a Mystery Tour in the works for August 20-21st. Who knows where we will go this time?

Look forward also to October 23rd, when we will host a Mad Hatter Charity event. Be thinking now about some crazy hats to wear for a fun dinner and a different kind of auction, a Bottle Auction! Princess Sarah Brumfield will have more details in the months to come.

Vintage Iron

By: Ron Niederhaus

Well the parade season has started and we participated in the Council Bluffs and Florence parades held on May 14. Thank you to all the members who were able to participate. It was a beautiful day for a parade.

Since our last article the Vintage Iron held their spring inspection on April 22nd at Victory Lane. Over 50 nobles, ladies and Divan members were in attendance and a couple man caves were open for inspection including that of our own Robert Foster with yours truly as the host. Great food, great conversation, lots of member vehicles and a great time was had by all. Thank you to the ladies for all the extra goodies.

We had a good turn out for Hospital Benefit days where we manned the Walmart in Papillion. Thank you to all who gave a help hand to raise funds for our hospital.

June 5 was the spring hospital benefit car show and we participated with our cars and hands in making this a great event.

VI handled the decorating and serving of the Stated Meeting on May 12th and as usual we had a great turn out. You can always count on VI supporting Tangier.

At our April meeting we approved new uniforms for competition. We are going to look really sharp at CSSA. If you would like to order one of the new shirts, please let Jeff Weller know as soon as possible. Or just order the whole uniform. The shirt is a dry wick blend that should be a lot cooler than previous versions.

Vintage Iron meets the fourth Tuesday of each month at 7:00pm in the lower level of Tangier. If you would like to join a very active club, have an interest in old cars or own a pre 1987 American made vehicle, we would love to have you visit and join our club. For information call Ron at 402-616-6024.

Tangier Tales

History that is Tangier

Go West Young Man

"Go West Young Man, Go West" is a phrase often credited to Horace Greeley, editor of the New York Tribune. However, Greeley did not coin the phrase. John B. L. Soule first used the expression in 1851. Greeley changed it slightly in an 1865 editorial when he suggested "Go West, young man, and grow up with the country." Many Civil War Veterans, and civilians alike, accepted the challenge and moved west to stake their claim on a homestead, try their hand in business, or otherwise embrace all that the burgeoning west had to offer. Albeit one hundred and ten years later; and not in as dramatic a fashion as those in covered wagons in the 1800's, Tangier Shrine, too, made their way west. But where did the journey begin?

The Tangier Temple leadership and general membership had long aspired to own and manage their own facility and grounds. Prior to moving west, Tangier Temple held offices downtown in the Farnam Building, built in 1929, at 1613 Farnam Street and held their meetings and activities at the Masonic Temple at 19th and Douglas Streets. In many cases, larger events required the renting of other venues around the city, the Civic Auditorium is one example. In 1975, under the leadership of Claude Jelen and the Divan, active steps were taken to research, locate and purchase an independent and separate site for Tangier Temple. The below resolutions were drafted and read.

Resolution: Read and laid over to next meeting for adoption or rejection. October 1975.

Resolved Whereas Tangier Temple A.A.O.N.M.S is meeting downtown in the Masonic Temple and would like to be in and own their own building in another location, be it resolved that the Board of Trustees be empowered to enter into negotiations to purchase land and building not to exceed \$400,000.00, excluding any remodeling costs. (\$400,000 in 1975 would have the same "buying power" as \$2,149,509.29 in 2022)

Resolution: Read November 13, 1975

Whereas, Tangier Temple by and through the Board of Trustees, in its wisdom, feels and has determined that it is for the welfare of the Temple and its membership, its many and numerous functions and activities that the Temple by and through the Tangier Temple Holding Corporation a non-profit Corporation whose Officers and Trustees are the Board of Trustees of Tangier Temple should proceed with acquiring, owning and operating its own real estate facilities in which the Temple can carry on and conduct its many activities and functions and

Whereas, the Tangier Temple Holding Corporation is not funded and is therefore without funds to purchase, acquire and/or operate such real estate and/or property and building thereto.

Be it therefore resolved that the Board of Trustees, Tangier Temple be and hereby is directed and authorized and empowered for and on behalf of Tangier Temple membership to promptly proceed with a program of raising money in a way of donations and contributions, by and through the membership or other individuals to carry on the program herein.

Be it further resolved that in addition to the above, the Board of Trustees is hereby authorized and directed to fund the Tangier Temple Holding Corporation, a non-profit corporation with money of Tangier Temple, no otherwise restricted, such funding to be within the discretion of the Board of Trustees and determined to be necessary and proper to carry on the program herein contemplated.

With the Tangier Temple membership on board and the above resolutions adopted, the search for the new home of Tangier Temple began. Several locations were scouted and at least one location, highly desired, was sold to another party before Tangier was able to make an offer. Another location, with a storied history, was soon identified.

In May of 1962 Ross, Lou and Al Caniglia announced that the construction of a \$600,000 restaurant had begun at Eighty Fourth and Center Streets. The Caniglia brothers went on to say, to allay any fears, they would continue the restaurant at 1114 South Seventh Street which they began in 1946. The new restaurant, to be known as "Palazzo Taliano" was designed after the Caniglia brothers studied several European Cafes. Al boldly stated, "There won't be anything like it between Chicago and the West Coast!" The location was made up of a restaurant, cocktail lounge, meeting rooms and included a production facility for pizza mix, frozen pizzas, and salad dressing. The brothers celebrated their one-year anniversary in May 1964 by honoring their customers with a free bottle of Chianti to the first 200 tables.

By 1970, the Caniglia brothers had interests in other restaurants and businesses and in late 1970 sold the restaurant to two real estate partners: Senator Roman Hruska and Russell Brehm. Hruska and Brehm would not hold the property long. The property was purchased by David and Audrey Hayden and became known as Hayden's West. The couple, who also owned the Hayden House and the Birchwood Club, operated Hayden's West as a dinner and entertainment venue. Hayden's West was closed in early 1972 and an auction was held in March to liquidate its contents. Audrey (Monroe) Hayden was a sister to Arthur Lynn Monroe, P.P. 1971. She passed away in Flagstaff Arizona on October 4, 2015, at age 100 years 8 months.

By July 1972, a group of partners, including Richard Solowicz, Joan Edwards White and David James Witherspoon, had purchased the property and began remodeling the building. Their business plan was to create a dinner theater to be called the "Talk of the Town Dinner Theater. They would focus upon the classics, "Camelot," "Oklahoma," "Arsenic and Old Lace," and "Harvey," to name a few. The dinner theater operated for two years and was then closed in 1974. It reopened, briefly, in March of 1975, but closed three months later.

On December 19, 1975, Glenn M. Timmons, owner of Timmons Contracting Corporation purchased the building and 2.16 acres for \$337,000 from David J. Witherspoon, chairman of the board of Pamida Inc.

In early January 1976, the unoccupied dinner theater was leased to Tangier Temple for \$340,000. Under the leadership of Paul Hickman and the Divan, a Building Fund Committee was formed and tasked with creating a campaign with a goal of achieving \$500,000. The additional funds, over and above the \$340,000, would be earmarked for improvements within the facility and expansion to the parking areas from 156 to 200 spaces.

An open house was held in February 1976 at the new Tangier Mosque with over one thousand attendees. March 11, 1976, marked the date of the first Tangier Temple stated meeting at its new independent location.

In 1987 Potentate Gene Moberg and the Divan commenced a fund drive and the remaining balance of the mortgage was paid off! The Board of Trustees, Claude Jelen, Paul Hickman, Gene Moberg and most importantly, the membership that raised the funds, each deserve our continued gratitude.

And now you know..... the rest of the story.....

Thank you for reading. Please look forward to future entries as we navigate the history that is Tangier.

"Let Us Show You How Home Remodeling is Supposed To Be"

Chad and Kory grew up Elkhorn in the 80's riding big wheels together. Now they have traded in their big wheels for Black Carp's Trucks and remodeling homes in the Omaha Metro Area.

Keeping homeowners happy, comfortable, and informed is an integral part of our business practices. We are a locally homegrown business that will be here for you when you need us and make your remodeling experience an enjoyable and affordable one that you will be able to enjoy for years to come. With Carp's you get the advantages of a large one-stop shop with the customer service you might find at a smaller company. We started with one man and an idea of how, to do things the right way the first time around.

Our customers contact us when they want to deal with one company that can take care of all of their service and project needs.

We don't profit by overcharging and getting cheap labor and moving on to the next project. We believe that it is vital to have homeowners involved in every step of the process.
